WHAT IS HOPE BUFFALO?

HOPE Buffalo is an unprecedented collaborative that brings together youth, caring adults, parents, educators, healthcare providers, and faith and community leaders, working together to help our teens grow into the adults they want to be.

OUR MISSION

We believe that teens have the right to grow into the adults they want to be—whatever that means for them. We respect their right to make their own decisions and set their own goals about their health and future. And we will support them with an open door, an open ear, an open mind, and an open heart.

OUR PROMISE

When teens are healthy, they can make informed decisions about their future, which also impacts the vitality of our communities, and the health of our city's future. HOPE Buffalo is committed to today's teens and tomorrow's Buffalo. That's hope.

STAKEHOLDERS

HOPE Buffalo is an initiative that brings all corners of the community together and from all walks of life to find solutions that help our teens succeed:

- Teens
- Parents & Families
- Healthcare Providers
- Educators
- Youth-Serving Organizations
- Faith Organizations

CARING ADULTS

Teens need support from a wide-ranging community of caring adults, anyone 21 and over can be a caring adult. This holistic community plays a vital role in the health and success of our city's youth—parents and families, healthcare providers, educators, youth-serving organizations, and faith organizations. Teens relate to each group differently, and therefore need different kinds of support as they work toward reaching their own health goals. That's why it's important that the entire community of caring adults understand how HOPE Buffalo can help them communicate with the teens in their lives.

STAKEHOLDERS
